MESSAGE FROM MR PEMBLETON

Dear Parents and Carers,

As we say goodbye to the last days of Winter, we are reminded that brighter days are ahead. Next week in assembly, children will reflect on the power of teamwork through the story *The Bridge Builders*, with the motto "Alone we try, together we fly."

We are also celebrating our Year 5 and 6 pupils for their outstanding success in *Bedrock Reading*, ranking in the top 25 schools internationally! A huge thank you to staff and families for supporting this initiative. Meanwhile, our Year 6 pupils will be completing their final mock SATs next week—let's all support them and their teachers as they prepare for this important milestone.

We're also excited to see our school values in action. Our teaching assistants have shown great ambition by seeking new professional opportunities, and our *Yoga Bugs* sessions have been a fantastic success—please continue making use of this resource while it's available.

A special congratulations to our Year 5/6 girls' football team, who finished 5th out of 24 teams in their first-ever competition! Their determination and teamwork made us incredibly proud. Thank you all for your ongoing dedication—your efforts truly make a difference every day.

GIRL'S FOOTBALL SUCCESS

An update on the girls' football tournament from Friday, from Mrs Patterson...

"Out of 24 schools, our girls finished an incredible 5th place—an amazing achievement, especially considering it was their first time playing together. We won 3 games, drew 1, and lost 2, finishing just 3 points away from a semi-final spot. The two losses came against schools with players from the Villa and Blues academies, so the competition was tough!

I couldn't be prouder of the team. They worked hard, played for each other, and scored some absolute belters. It's even more impressive when you think about how far we've come—just a few years ago, we struggled to put together a girls' team, and now they're making a real impact."

They will all receive well deserved medals in assembly.

THANK YOU I C TALENT

Eve Beer from I C Talent provided us with the kits for the YR3/4 children. They can be proud to play for Anglesey in their new kits. Good luck for the next game!

FREE SCHOOL MEALS

3 Pupil Premium Grant (PPG) - Important Information for Parents

Did you know that registering your child for **Pupil Premium Grant (PPG) funding** can provide an extra £1,500 per year to support their education? This funding is used to enhance learning experiences, provide additional support, and ensure all children have access to the best opportunities at Anglesey Primary School.

We have noticed a gap in PPG registrations between younger and older children, and we want to ensure that **every eligible child** is receiving this support. If your child is in **Reception to Year 6**, they may qualify for this funding if you receive any of the following:

- ✓ Universal Credit (household income below £7,400 per year)
- ✓ Income Support
- ✓ Jobseeker's Allowance
- Child Tax Credit (not receiving Working Tax Credit)

Why register?

- Extra learning support: Funding helps provide additional teachers and teaching assistants to support your child's learning.
- Enrichment activities: It contributes to free or discounted school trips, clubs, and activities.
- School resources: Helps the school invest in better equipment, books, and technology.

Even if your child is already receiving **Universal Infant Free School Meals (Reception, Year 1, and Year 2)**, they **still need to be registered** for PPG separately to access this funding.

Registering is **quick and easy**. If you think your child may be eligible, please contact the school office or apply here:
