#### MESSAGE FROM MR PEMBLETON

Dear Parents and Carers,

I would like to extend a heartfelt thank you to all who attended our recent parents' evening. Your support and engagement are vital to your children's success, and it was wonderful to have so many of you join us to discuss their progress and next steps.

I am also pleased to inform you that we have purchased headphones for every child in Year 5 and Year 6. These will support them in their online learning and help develop their sense of responsibility. We ask for your support in encouraging your children to take good care of these headphones and use them respectfully.

Thank you for your continued support in your child's education.

#### SAFEGUARDING

Just a reminder, that if anyone who does not usually drop your child at school, knows that they must **take them to the classroom door** and not leave them at the entrance or in the playground. Thank you for your cooperation.

## WILLOW HUB

In willow we are building and playing together. We are learning the lifelong lesson of how to cooperate!

# COMPUTER GAMES

Please be really vigilant with the games your child is playing online. Some very young children are accessing violent material and they are then confusing it with real life. For further information or if you would like advice on appropriate games/websites, then click onto our website <a href="https://www.angleseysch-bham.co.uk/online-safety/">https://www.angleseysch-bham.co.uk/online-safety/</a> or speak to a member of school staff.
