#### MESSAGE FROM MR PEMBLETON

Dear Parents and Carers,

I want to take a moment to thank you for your continued support and partnership. Your encouragement and involvement play a huge role in making our school the warm, welcoming, and successful community it is today.

Since returning in January, we have had 12 new children join our school. This is a wonderful sign of our growing reputation, and we are proud that families are choosing us as the place for their children to learn, grow, and thrive.

Our school is built on strong relationships between staff, children, and parents, and we are grateful for the trust you place in us every day. Together, we are creating a school where every child feels valued, supported, and inspired to achieve their best.

As Eid fast approaches, I will be sending out a letter shortly with details about the arrangements in school. Please look out for this, and as always, feel free to reach out if you have any questions.

Thank you for being part of our journey!

Answer next week...

# WILLOW HUB FUN

Willow made a tractor out of boxes and had great fun. They are learning about farms and are reading the story Farmyard Hullabaloo.

# YEAR 5

Year 5 pupils had an experience day at King Edward VI Handsworth School for girls. They took part in fun art activities using clay. What a great experience for our children.

#### THE ZEPHENIAH FOREST

INFORMATION BELOW FROM THE ZEPHANIAH FOREST: TREES PLEASE, POETRY PLEASE? THE ZEPHANIAH POETREE TRAIL LAUNCH

SATURDAY 19TH APRIL 2025 | 12:00PM - 15:00PM

Calling all winning poets and Benjamin Zephaniah enthusiasts –

The Zephaniah Forest tree planting is complete! In an ultimate ceremony in memory of Benjamin Zephaniah, the winning poets of Trees Please, Poetry Please? will read their submissions, and adorn the 65 trees with the 65 poems to create a physical Zephaniah Poetree Trail. This is addition to the poems being documented online using TreePlotter (where we log and create Tree Trails and survey data), and eventually on the website with text and image updates of each tree.

We will meet in Burbury Park, Newtown, at the first Farm Street entrance, at midday on 19th April – one week after Benjamin Zephaniah Day 12th April – to celebrate the intermingling of nature and arts, dressing Benjamin's trees with beautiful dedicated poetree. We'll begin from the first tree that was planted by Qian Zephaniah, through to the final 65th tree planted by his family, friends, community, and poets. Benjamin and his family lived on Farm Street when he was a child, so we will be able to retrace steps that he has taken many years before...

The poems will be laminated and tied to the trees, so this temporary, non-invasive method of display doesn't disturb or damage the trees. Therefore, we hope the wonderful poets will return to replace their poems when they are worn. Alongside the Burbury Park Community Forum and Birmingham Empowerment Forum caring for the orchard, we want to encourage the community and those involved with this project to come back, ensuring the trees are healthy, and the forest is thriving for Benjamin.

This project has been crowdfunded through Spacehive, sponsored by Trees for Cities, Veolia, Birmingham City Council's UK Shared Prosperity Fund with West Midlands Combined Authority and the UK Government, and is in partnership with the Benjamin Zephaniah Family Legacy Group. We wholeheartedly thank every group and individual that has contributed to Benjamin's legacy mini forest in Newtown (a full list of sponsors will also be available on our website soon); through your donations, time, and support, Benjamin's legacy will last another 65 years, and another, and another.

See the comment section for the full list of winning poets. See The Zephaniah Forest Poetree Trail on TreePlotter here (work-in-progress): https://uk.pg-cloud.com/BTP/?scenario=BZforest
