MESSAGE FROM MR PEMBLETON

Dear Parents/Guardians,

I am delighted to inform you that the report from the Office for Standards in Education, Children's Services and Skills (OFSTED) has been published, and I am immensely proud to confirm that our school has been rated as a Good School.

This achievement is a testament to the hard work, dedication, and commitment of our entire school community - students, staff, parents, and governors. It reflects our collective efforts to provide the best possible education and support for our students.

We should all take great pride in this recognition, but we also recognise that there is always room for further improvement. We will continue to build on our successes, address any areas for development identified in the report, and strive for excellence in all that we do.

I would like to extend my sincere gratitude to everyone who has contributed to our school's success. Your ongoing support and partnership are invaluable as we work together to provide the best possible education for our students.

If you would like to read the full OFSTED report, it is available on the school website-

CYBERSECURITY QUESTION OF THE WEEK

Answer to last week's question: D

The S on the end of https:// stands for a secure encrypted version of http://.

Although most websites have moved over to https://, most scamming and fake websites have not, so it may be worth taking a look at this if you are ever in doubt of a website being legitimate or not.

ATTENDANCE

Our current attendance figure for this week is 95.5% which is good.

It is really important that your child attends school every day possible. Let's get this number higher! If your child comes every day, they could win a family hamper each half term.

WELL DONE to 5H with 100% And 2I, 6K, 5D AND 3P with 99%

If your child's attendance is low, then you will be receiving a phone call from the Phase Leader to find out why and to try and improve their attendance.

A text will be sent if your child is late twice in a week.

PARENT FORUM

Thank you to all of the parents who attended the Parent Forum Meeting today.
We had 46 parents attend today.

Mr Pembelton talked about the Ofsted report and parents were encouraged to write any questions and comments. These will all be addressed.
