## MESSAGE FROM MR PEMBLETON

Dear parents and Carers,

I hope this message finds you well. I wanted to inform you about some upcoming changes regarding how we communicate your child's absences and clearer guidelines for punctuality.

We are reviewing our end-of-day timings to potentially implement changes for efficiency and better coordination. Your feedback on this matter is greatly appreciated.

I also want to express my gratitude for the remarkable improvements in attendance over the past three weeks. Each week has seen attendance rates surpassing 95%, which is the highest we've had this year. Let's strive to maintain this positive trend moving forward.

Wishing you all a delightful long weekend, and I look forward to welcoming everyone back on Tuesday.

## ATTENDANCE

Our current attendance figure for this week is **95.8%** which is really good.

It is really important that your child attends school every day possible. Let's get this number higher! If your child comes every day, they could win a family hamper each half term.

Well done to 6K with 100% and 5O with 99%

If your child's attendance is low, then you will be receiving a phone call from the Phase Leader to find out why and to try and improve their attendance.

A text will be sent if your child is late twice in a week.

## KING EDWARDS VISIT

Staff from King Edward's Schools came into school to talk to the parents of Year 4 and Year 5 pupils.
