New Technology

With Christmas nearly here and with some children receiving new technology or related games, here is a quick reminder of the importance of setting up appropriate parental controls.

Games/Consoles

- Check age ratings: look at the PEGI rating of any new games.
- Remember, PEGI rates the gameplay so whilst it is important to review age ratings, you must also check to see if it has any communication elements.
- If a game does allow your child to communicate with others, then adjust or disable the settings as appropriate to your child.
- On the device itself, set up applicable controls such as restricting spending limits and managing who they can communicate with. Follow the links below to find out how to set up Parental Controls for some devices here:

SOME CHRISTMAS LUNCH PHOTOS

PARTIES ON THURSDAY

Party Time!

All of the children will be having a party on Thursday this week.

It is a lovely opportunity to sit together and share food with friends.

We would love it if you could bring in some party food for your child to share.

We will obviously be very careful, as we know that some children do have allergies. Remember too that we are a NUT FREE school, so no food containing nuts please.

BRING YOUR FOOD IN ON THURSDAY.

Hopefully there will be a visit from Santa too...Shhhhhh!
