MESSAGE FROM MR PEMBLETON

Dear Parents and Carers,

We are delighted to share that our Winter Fayre was a resounding success! Thanks to your generosity and support, the event raised over £2,000, which will greatly benefit our school and pupils. A huge thank you to everyone who donated, contributed prizes, and attended. Your efforts and enthusiasm made the event truly special.

However, we must address an unfortunate incident that occurred during the Fayre. One member of the community behaved in a manner that was wholly unacceptable. Please rest assured that the school takes the safety of our staff, pupils, and community very seriously. We have been in touch with community members and other relevant services to ensure that such behaviour does not happen again.

On behalf of all the staff and Governors, we wish you a very happy holiday season. We look forward to welcoming everyone back to school on **Tuesday, 7th January**.

New Technology

With Christmas nearly here and with some children receiving new technology or related games, here is a quick reminder of the importance of setting up appropriate parental controls.

Games/Consoles

- Check age ratings: look at the PEGI rating of any new games.
- Remember, PEGI rates the gameplay so whilst it is important to review age ratings, you must also check to see if it has any communication elements.
- If a game does allow your child to communicate with others, then adjust or disable the settings as appropriate to your child.
- On the device itself, set up applicable controls such as restricting spending limits and managing who they can communicate with. Follow the links below to find out how to set up Parental Controls for some devices here:
