MESSAGE FROM MR PEMBLETON

Dear Parents and Carers,

As the holy month of Ramadan begins this weekend, I extend warmest wishes to all families observing this special time. We are committed to supporting our pupils who choose to fast while ensuring their well-being. I wish you and your family a peaceful and blessed Ramadan.

Who can fast during school hours?

We encourage only Year 5 and Year 6 pupils to fast during the school day. Younger children may find it difficult to go without regular meals.

Do I need to inform the school if my child is fasting?

Yes, if you would like your child to fast at school, please complete and return the 'Request to Fast' form available at the school office and only if your child is in Years 5 and 6.

What happens if my child asks for food or drink?

If a child requests food or drink, we will provide it, even if a form has been submitted. Our priority is ensuring no child remains hungry or thirsty if they find fasting difficult.

What if my child feels unwell while fasting?

If a child shows signs of discomfort, such as dizziness or nausea, our staff will offer food or drink and may contact parents if needed. The health and safety of our pupils are our top priorities.

Is fasting compulsory for primary school children?

No, fasting is not an expectation for children of primary school age. Families may consider allowing children to fast on selected days, such as weekends or holidays.

How will the school support fasting pupils?

Our staff are aware of the significance of Ramadan and will support pupils with understanding and sensitivity. We will also have open discussions in class to promote awareness and respect for those observing the fast.

If you have any questions or concerns, please contact the school office.

Wishing you and your family a peaceful and blessed Ramadan.

Ramadan Mubarak to all who are observing

PE KITS IN WARMER WEATHER

Some children are wearing several layers under their PE kit.

Just be mindful of the weather that day. If it is a warm or sunny day, they could get hot and sweaty.

THANK YOU PARAGON EDUCATION

A big thank you to the owner of Paragon Education, Alex Waldron who came in to present the team kits to YR5/6.

Alex has been in recruitment for 10 years plus and started out on his own last year. He is always looking to support schools in different ways and is more than happy to provide team kits to school. It gives the children a sense of pride and also makes the school look more professional when out at events.
