ANGLESEY PRIMARY SCHOOL NEWSLETTER

ISSUE 6 11TH OCTOBER 2024

MESSAGE FROM MR PEMBLETON

Dear Parents and Carers,

At Anglesey, we strive to make communication between school and home as easy and efficient as possible. That's why we highly recommend all parents download the ***My Child at School* (MCAS)** app. This app allows you to stay up-to-date with everything happening in school, including your child's attendance, important announcements, and upcoming events—all at your fingertips!

One of the greatest benefits of the MCAS app is its ability to streamline payments for school trips, events, and other activities. No more scrambling for cash or worrying about sending payments in with your child. With just a few taps, you can easily pay for trips and other school expenses directly through the app. This ensures a quicker, safer, and more convenient way to handle payments, reducing the risk of lost money or missed deadlines.

We understand that effective communication is key to your child's success, and we believe that MCAS is the best way to keep you informed and involved in your child's educational journey. If you haven't done so already, please download the app today and ensure you are making the most of the support it offers.

Should you need any assistance with setting up the app or making payments, our office staff are more than happy to help.

Thank you for your continued support

**Text the School Nurse
for confidential advice and
support on 07480635485**

We do not usually inform your parents, teachers or anyone else if you contact the school nurse. We might inform someone if we were concerned about your safety, but we would usually speak to you first. Your messages are stored and can be seen by other healthcare staff who follow the same confidentiality rules. We aim to reply to you within one working day and you should get an immediate bounce-back to confirm we received your text. Texts will not be seen outside of normal working hours. If you need help before you hear back from us, contact a member of school staff or your doctor. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps). Prevent the school nurse from sending messages to you by texting **STOP** to our number. Please respect your schools mobile phone policy. Messages are charged at your usual rate.
