MESSAGE FROM MR PEMBLETON

I hope this message finds you well. We've had another fantastic week at Anglesey Primary, full of exciting activities and opportunities for our children. Here are some key updates and reminders:

Assemblies and Learning Themes

This week in assembly, we shared the story of the golden thread, focusing on respect, kindness, and caring. Next week, our theme will be *Valuing Others*. To symbolise this, we will use a key as an object of reference, representing unlocking possibilities and potential. Please ask your children about these themes and how they connect to their learning.

Parents' Evening

Thank you to all the parents who attended Parents' Evening this week. We appreciate your support and feedback. Moving it to Thursday was part of our efforts to promote work-life balance for staff, and we welcome your thoughts on this. Having it early in the term allows us to maintain regular communication with you, especially with Ramadan approaching in the next half term.

Rock Steady Music Day

On Wednesday, 29th January, we're excited to host *Rock Steady Music* in school. Children will get the chance to be a "rockstar" for the day, exploring their musical talents. It promises to be an unforgettable experience!

Attendance Update

This week's overall attendance was 94.1%. Congratulations to 4FD for achieving 100% attendance! Let's continue working together to improve attendance across the school.

Thank you for your continued support. Together, we are building a nurturing and inclusive environment where every child can thrive
