## MESSAGE FROM MR PEMBLETON

Dear Parents & Carers,  
I hope that your child enjoyed meeting their new teacher for September and spending some time in their new classroom. It's always a pleasure to see the excitement and enthusiasm as students get acquainted with their new learning environment and teacher.

We want to extend our heartfelt thanks to all the pupils who attended yesterday. It was the first time we have opened school on a voting day, and while attendance was lower than we would have liked, we appreciate those who made the effort to come. Your support really matters.

We understand that adjusting to change can take some time, especially with school being opened or closed like voting days. However, regular attendance is crucial for your child's academic success and overall development. Here are a few reasons why good attendance is so important:

- 1. Consistent Learning:** Regular attendance ensures that your child doesn't miss out on essential lessons and activities, providing a stable learning environment.
- 2. Building Habits:** Developing a routine of consistent attendance helps instil discipline and responsibility, skills that are vital throughout life.
- 3. Social Development:** Regular attendance allows children to build and maintain friendships, fostering a sense of community and belonging.
- 4. Academic Achievement:** Students who attend school regularly tend to perform better academically, as they are more likely to keep up with the curriculum and have fewer gaps in their knowledge.

We look forward to a calm and enjoyable end to the school year and appreciate your continued support in ensuring your child's consistent attendance. If you have any questions or need assistance, please don't hesitate to reach out.
