END OF YEAR RESULTS

End of Year Results

Dear Parents/Carers,

As the end of my first 6 months as Head Teacher comes to a close, I want to share with you the results we have achieved. There are some successes, many improvements from last year and areas that we want to get even better at. May I take this opportunity to thank the staff for their dedication, the pupils for their efforts and also you as parent and carers for your support.

The tables below give a summary of our statutory test results from the academic year 2023-2024. Although these results give an important marker of our performance as a school, we pride ourselves on achieving more for each of our children than just test outcomes.

Please note that this data is 'unverified'; our final (checked) data will be shared with us by the Department for Education in the Autumn term. We will update the information at this time.

The national data shared below is also currently unverified, and may change slightly from the figures quoted when national datasets are released later this year. Where National Data is not yet available, we have used 2023 National Figures; these are labelled *.

Y6 LEAVERS' PARTY

Year 6 had a well-deserved leavers' party yesterday. They had bouncy castles, popcorn, pizza, music and ice-cream. Thank you to all of the staff who organised the event and helped during the evening. Here are a few photographs, but you will find more on the website in the Gallery.

Everyone looked amazing!

LRG FUN

Mrs Hess and Mr Khan took 6C to the LRG Youth Centre on Graham Street this week. The children got the chance to play pool, have a go on the soccer table, enjoy creative activities, use the sports hall and play on the PlayStation. A big thank you to Shaid for allowing us to use his youth centre facilities.
