SWIMMING UPDATE

Thank you to everyone who responded to the questions about swimming. We had almost 100 votes, I hope we can get more feedback with future discussions, as your feedback is really important.

Here are the results and the decision we are making for next year.

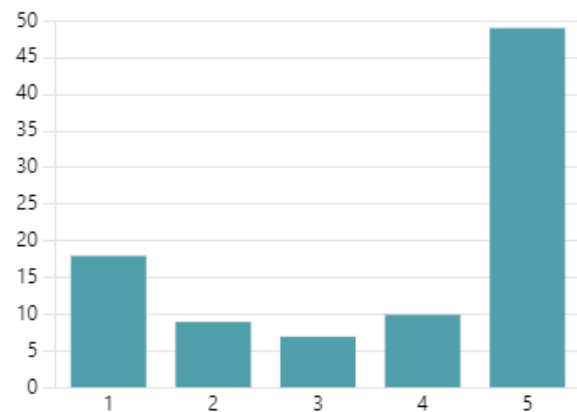

Firstly, the sessions were mostly enjoyed by the children

1. How much did your child enjoy swimming in the pop up pool (0 point)

[More Details](#)

[Insights](#)

3.68
Average Rating

Secondly, it was almost 50/50 on what you wanted next year.

2. What option would you prefer for swimming at Anglesey next year? (0 point)

[More Details](#)

[Insights](#)

● Pop up swimming pool at Angle... 48

● Swimming lessons at local leisur... 45

Lastly, we looked at the progress the children made with swimming, and it was clear that for many of the children, their confidence and competence in the water was much better than when we have used the leisure centre pool.

To conclude, we will be using the Pop-Up Pool again next Summer to deliver our swimming lessons, but there will be changes to how we manage it, as we did encounter some start up issues. Staff are confident the experience will be even better for the children next year.

Thank you all for your support.
