ISSUE 31 14TH JUNE 2024

MESSAGE FROM MR PEMBLETON

Dear Parents & Carers,

A Busy and Eventful Week at School!

I am writing to share some exciting updates and express my thanks for your support during this exceptionally busy week.

We have just concluded a week filled with remarkable events, culminating in visits from our local councillor, MP, and mayor. Their presence and support have been invaluable as we undertook a challenge: a 26-hour world record attempt for the longest science lesson!

This ambitious effort from Mr. Jordan and his colleague Mr. Keeling was not just about setting a record; it was a testament to the commitment and enthusiasm of our pupils, staff, and community. The support and encouragement from our guests, along with lots of support, have helped make this possible.

A special thank you goes out to everyone who has contributed to our fundraising efforts so far. Your generosity is making a significant difference and helping us achieve our goals.

We continue to be proud of our pupils, for their efforts and we look forward to sharing more details and results of our world record attempt soon.

Thank you once again for your continued support and for being a part of our school community.

SCIENCE TEACH-A-THON WORLD RECORD

Councillor Waseem Zaffar kicked of the Science Teach-A-Thon with the first science investigation of the day.

Remember they are streaming live on our Anglesey Primary School Youtube channel for the full 26 hours. They started at 9.00am and will finish at 11.00am Saturday morning.

We are raising money to ensure families in our community who do not have access to laptops or devices, will be able to borrow one from school and ensure that the most disadvantaged, get the advantage they need.

Here is the QR code for you to donate...

We are proud of you Mr Jordan and Mr Keeling! You can do it!

CYBERSECURITY QUESTION OF THE WEEK

What was the answer? C

Answer next week

YEAR 2 AT WESTON-SUPER-MARE LAST WEEK

We had a great but very windy day at Weston. Our sandwiches were very sandy!

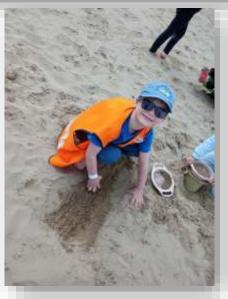

More photos will be available on the website.

Y6 MAKING HANGING BASKETS

Year 6 pupils made the hanging baskets that were sold on Wednesday.

A big thank you to them and to Mr Reeve as always, for your time, effort and experience.

BIRMINGHAM COUNCIL CHAMBERS

Some of the school councillors went back to the Birmingham Council Chambers to present their speeches on the negatives of Lozells and how it impacts them.

Councillor Waseem Zaffar was so impressed with Masud's speech, he asked him to do it again in front of the Lord Mayor of Birmingham!

Thank you to Mrs Hess and Mr Khan for taking them.

SENDING INFORMATION VIA THE APP AND EMAILS

In a bid to save money and avoid waste, we will not be sending out as many letters in the future.

Instead, we will be sending emails or sending notifications via MCAS.

Please check your emails regularly and make sure school has your email address, so that you don't miss out.

Also, register for MCAS, if you haven't already.

SCHOOL PHOTOGRAPHS

A lot of parents have spoken to me about School Photographs at Anglesey.

As a result, we will be having individual and class photographs in the Autumn Term for all pupils.

For now, Year 6 will be having their school portrait photographs taken on Friday 28th June in the morning. This will be Individuals and classes.

The photography company we are using is Tempest. You will receive more information soon.

Thank you for sharing your views with us as always. We do listen.

MANDARIN

There will be 3 videos from the Chinese Day on our website for you to enjoy.

The choir performed Jasmine Flower (in Chinese) in front of 300 people.

The translation is:

Beautiful Jasmine flower

Sweet-smelling, beautiful stems full of buds

Fragrant and white, everyone praises

Let me pluck you down to give to someone

jasmine flower.

The second video on the website is a Chinese proverb in English:

When there is light in the soul

There is beauty in the person

When there is beauty in the person there is harmony in the world.

When there is harmony in the world

There is honour in the nation

When there is honour in the nation there is peace in the world.

The 3rd video is of Keyaan from year 3 speaking in Chinese.
