# ANGLESEY PRIMARY SCHOOL NEWSLETTER

ISSUE 33 28TH JUNE 2024

## MESSAGE FROM MR PEMBLETON

Dear Parents & Carers,

We hope you are enjoying the wonderful Summer weather! We are excited to share that next week holds a special moment for your children: they will learn who their new teacher will be for the upcoming school year. This can cause some anxiety for the children, but our experienced and dedicated staff will help support the children who did it more difficult.

One very exciting piece of news about classes, is that we are creating a second 'Willow' for the Key Stage 2 children. It will operate in a way that is similar to KS1 Willow. To keep in the theme of trees. The Key Stage 2 base will be known as 'OAK'.

In addition to the excitement at school, you will also receive a letter informing you of your child's class placement for September. We understand that this is a time of great anticipation for both you and your children, and we are thrilled to embark on this new academic journey together.

Thank you for your continued support and involvement in our school community. We look forward to a fantastic year ahead, and wish Year 6 the best of luck as they go to visit their new schools for September.

## READY, STEADY, RIDE

Dawud (11) and Maryam (8) will be taking part in Ready Steady Ride where they will hopefully cycle from 1 to 5 miles in aid of water projects around the world. Across Asia and Africa, thousands of elderly women and children, travel day and night for their closest source of clean water.

On average, a person travels over 6 kilometres to the nearest source of water, putting immense strain on the neck and spine over time.

One Nation is dedicated to helping the 844 million individuals around the world who do not have access to clean water. Due to this, One Nation has identified the need for constructing Hand Pumps, Water Wells, Wudhu Areas and Solar Water Wells.

Access to safe water is a basic human right, and we are working hard to ensure that greater water equality is achieved across the world.

Please be a part of the project and donate towards providing clean water to those in need. Each drop that we provide is a deed of generosity and a Sadaqah Jariyah for us all.

Dawud and Maryam greatly appreciate your support.

Jazak Allah Khair

On the authority of Sa'd Ibn 'Ubadah (ra) who said, 'I asked, 'O Messenger of Allah! Which charity is best?' He [saw] replied, 'Providing water'' (Ibn Majah)

### Y3 CLOTHES SWAP

Year 3 have organised a successful 'clothes swap' this week for parents and children. Thank you for the generous donations and to those of you who came along to support the children. We had a lot of quality clothes.

Y2 have been looking at the impact of Fast fashion on the planet. Special thanks to Miss Loftus and the y3 team for organising the event.

### PARENTS PARKING

Please do not double park around school or park or drive in any way that could potentially endanger the life of one of our pupils. Mrs Uredi is out every morning and is concerned, as we all are, that an accident could happen.

## TITAN OLYMPIANS

Congratulations to all of the pupils who entered the Titan Olympics and thank you to the staff for arranging it and taking them.

They were hugely successful and came second! Woohoo!

## EYFS OPEN DAY

Here are some photographs taken at the open day in Nursery. Thank you to all of you for showing an interest in our fantastic nursery and to the staff for giving up their time.

## Y1 VISIT TO TWYCROSS ZOO

The year 1 children had a great time today at the zoo. I'm sure they will be very tired and sleep well tonight, as will the teachers! There will be more photos on the website in the gallery soon. Thank you to the teachers for organising it so well.
