ATTENDANCE

Our current attendance figure for this week is **94.4%**. It is really important that your child attends school every day possible. Let's get this number higher! If your child comes every day, they could win a family hamper each half term.

WELL DONE ESPECIALLY TO:

SL2 with 100%

6K and 2C with 98%

If your child's attendance is low, then you will be receiving a phone call from the Phase Leader to find out why and to try and improve their attendance.

A text will be sent if your child is late twice in a week.

RED NOSE DAY

A message from Mrs Hess.

Red nose day is next week on

Friday the 15th March. Children

can dress up as red and as wacky as they like for a donation. All money raised will go straight to charity. There will also be a competition to create your very own red nose! The best nose in each year group will get a prize!

SOCIAL MEDIA COMMUNICATION

In an aim to improve communication, The school will be using 3 social media platforms.

As well as using X to send out information, we will also be using FaceBook and Instagram. Please like and follow our posts.

RAMADAN

A letter will be sent out today with information about expectations for fasting in school. Please read it carefully if your child is fasting. We don't encourage KS1 or Year 3 and Year 4 to fast, but understand that many of the older children will want to.

The letter makes clear what you need to do to inform school if your child is fasting. The school must have written permission from parents to let us know if a child is fasting.

CYBERSECURITY QUESTION OF THE WEEK

Answer to last week's question: D

Answer next week:

Y3 AND 4 BEST SCIENTISTS FROM SCIENCE DAY

Congratulations and keep investigating!

WORLD BOOK DAY

We had some fantastic costumes for World Book Day. Thank you to all of you who made an extra special effort. The children had a great day.

Here are a few photos.

BEDTIME STORY

What an incredible turn out we had for the bedtime story. Mrs Draper read a brand new story, which everyone seemed to enjoy.

Well done parents and children for joining us and a special thank you, if you wore your PJs!

SOME OF OUR WORLD BOOK DAY WINNERS

BEHAVIOUR

Fortunately, we do not have many incidents of Bullying at school.

However, we know that it can happen.

We wanted to share what we define as bullying at Anglesey and our response to it.

Anglesey Primary School defines bullying as:

"the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online"

There are four key elements to this:

hurtful	repetition	power imbalance	intentional
---------	------------	-----------------	-------------

If this happens and children don't feel safe they can tell...

any teacher	a dinner supervisor	a friend	family	office staff
-------------	---------------------	----------	--------	--------------

Anglesey Primary School's response to bullying

<p style="text-align: center;">STEP 1</p> <p style="text-align: center;">Make sure everyone involved is safe.</p> <ul style="list-style-type: none"> a) Record the details on My Concern. b) Tell pupils you'll take it seriously and you will take action 	<p style="text-align: center;">STEP 2</p> <p style="text-align: center;">Try to stop the situation happening again</p> <ul style="list-style-type: none"> a) Be clear the behaviour is not OK b) Look at the whole group behaviour. Could anyone become an upstander? Is there anyone encouraging the bullying? c) Keep checking in even when you think the bullying has stopped 	<p style="text-align: center;">STEP 3</p> <p style="text-align: center;">What can the school do to help?</p> <ul style="list-style-type: none"> a) Think about what the incident has taught you. Should you update policies? Provide training? Address an issue with discriminatory language? b) Can you stop the incident from happening in the future?

Managing Screen time from Internet Matters

Are you worried your child has too much screen time, or would like more advice on how to support your child in managing their screen time? Internet Matters have a wealth of resources

Fortnite Battle Royale

Fortnite Battle Royale is rated PEGI 12 because it features moderate violence which means it is not suitable for persons under 12 years of age.

It is important to remember that when rating games, PEGI do not take into consideration the communication features of a game. Fortnite does include a chat facility, which adds further risks.

Instagram

You will probably know that Instagram is used to post photos and videos, but did you know that it can also be used to message, voice/video call and send disappearing messages? Users can also upload to 'Stories' (which disappear after 24 hours), broadcast live and upload reels (short videos).

You must be over 13 years of age to set up an account. To create an account, you must enter a date of birth (but it is not verified). When you set up an account for users under 18 years old, the account is set to Private. This is the recommended setting so that your child appears who follows them and sees their content. Even if your child's profile is private, their bio (at the top of their profile) card will be seen by everyone. Check they have not included personal information here e.g. they should not be wearing their school uniform in their photo.

Instagram includes several privacy settings, so go through these with your child and ensure they are set appropriately. Settings include:

Do you need help managing your child's device?

You can use Google Family Link or Apple Family Sharing to help you (depending on your child's device).

Google Family Link

This is a parental control app from Google that lets you:

- See activity reports showing how long they spend on each app.
- Approve or block new app downloads.
- Set screen time limits.
- Find their location (using their device).
