### MESSAGE FROM MR PEMBLETON

Dear Parents and Guardians,

This Friday, our school will be closed for a day of important training for our dedicated staff. This training will help us better support your child's learning and create even richer, more engaging experiences in the classroom. Our teachers and staff are excited to gain new tools and strategies to make our educational environment even stronger and more enriching. We appreciate your understanding and support as we work to bring our best to each of your children every day!

Additionally, as winter approaches, please remember to dress your child in warm layers, including coats, hats, gloves, and sturdy shoes. We want to ensure everyone stays comfortable and healthy, especially during outdoor activities.
