MESSAGE FROM MR PEMBLETON

Exciting End-of-Term Activities Await! 🎉

Dear Parents and Carers,

As we approach the end of term, we're thrilled to share that we have some fantastic activities planned to celebrate another amazing term of learning and growth. From festive fun to enriching experiences, we've worked hard to make sure every child has something to look forward to!

These special opportunities wouldn't be possible without the efforts of our incredible staff, who give their time to ensure our children create memories to cherish. Let's show them how much we appreciate their efforts—whether it's a kind word, a thank-you note, or simply encouraging your child to say thank you.

We can't wait to celebrate with the children and make this a truly memorable end to the term.

Friday 6th December - 🍫 Chocolate Tombola - Children can wear their own clothes as long as they bring some chocolate in.

Wednesday 11th December - 🎄 Christmas Dinner (Children can wear a festive Jumper)

Thursday 12 December - National Christmas Jumper Day - £1 donation

Friday 13th December - ❄️ Winter Fayre 2.00pm (Children need to be collected at 1.00pm)

Thursday 19th December - 🎉 Class Parties - Children can dress up for this

There will also be other events including Nativity and a Special Assembly.

Thank you for your continued support. Together, we make our school a wonderful place to learn and grow.

New Technology

With Christmas nearly here and with some children receiving new technology or related games, here is a quick reminder of the importance of setting up appropriate parental controls.

Games/Consoles

- Check age ratings: look at the PEGI rating of any new games.
- Remember, PEGI rates the gameplay so whilst it is important to review age ratings, you must also check to see if it has any communication elements.
- If a game does allow your child to communicate with others, then adjust or disable the settings as appropriate to your child.
- On the device itself, set up applicable controls such as restricting spending limits and managing who they can communicate with. Follow the links below to find out how to set up Parental Controls for some devices here:

BREAKFAST CLUB

This week, the children have been learning different life skills. They had a go at the running stitch.

TIMES TABLE STARS

3 more 'I know all my times tables' badges given to Maya, Iqra, Fouzia all in 4I. Well done all of you. You should be proud of yourselves.

ANIMAL MAN

The children from Nursery and Willow had a fantastic time when the Animal man visited. They got to see and touch lots of different animals. There will be more photos in our Gallery soon.

Become a School Governor.

WHO CAN BE A PARENT GOVERNOR?

Anyone who has responsibility for a child at the school.

You Must...

Attend all meetings
Visit the school
Complete training
Maintain confidentiality.

HOW DO I GET NOMINATED?

Come and speak to Mr. Pembleton, or scan the QR code put in an expression of interest.

WHAT DOES THE GOVERNING BODY DO?

Governors have an important job planning and making decisions for the school. It includes curriculum, staffing, buildings and finance.

HOW MUCH TIME DOES IT TAKE?

One meeting each term in the evening
Meetings last no more than 2 hours
A Visit to the school at least 2 times a year.

WHAT QUALIFICATIONS DO I NEED?

You do not need any qualifications, just an interest in the school and making willing to get involved. Training and support from other Governors is provided.

RECEPTION SCIENCE

Reception children have been looking at changes of state. They investigated what would happen to ice or chocolate if it was warmed up. They had very sticky hands! More photos will be in the Gallery later.

Toy safety

"I would hate for any other child to go through what Becca suffered because of buying dangerous toys via online marketplaces."

Mum of two-year-old Becca who swallowed magnets from a toy

Toys from reputable brands are made to be safe. But if they've come from an unknown seller on an online marketplace, a market or small discount store, they could be dangerous.

Buying safely

- ✋ Buy toys from brand names you know. If you've never heard of the seller or the brand and price is really tempting, it could be dangerous
- ✋ Watch out for cheap copies of popular toys. They may not be made to UK safety standards.
- ✋ Check if the toy has been removed from sale because it's unsafe. Visit gov.uk and search 'product recalls'
- ✋ If you buy something that looks unsafe, trust your instincts and send it back.

Under 3s most at risk

Babies and toddlers are curious and naturally put everything in their mouths. So dangerous toys can pose the biggest risk to small children. Be especially careful when buying for under 3s.

Watch out for missing or contradictory age warnings. If a toy is pictured with a toddler but marketed as unsuitable for young children, pick something else.

Which toys are most dangerous?

- ✋ Toys with:
 - accessible button batteries that can burn through your child's food pipe
 - super strong magnets that can rip through your child's belly
 - long cords that can strangle your child
 - small parts that can choke your small child
- ✋ Water beads that can block your child's bowel if swallowed
- ✋ Electrical toys with exposed wires or chargers that can catch fire.

Checking toys

If you're unsure about the safety of a toy, here are some checks you can do:

- ✋ Check battery compartments for accessible button batteries or loose spares in the box
- ✋ Check for any loose small magnets
- ✋ Give the parts on the toy a quick tug and check for small parts that come off
- ✋ Look for long cords or access to stuffing
- ✋ Check if there are any age restrictions or safety warnings on the product.

Report dangerous toys

If you spot or buy a toy you're concerned about:

- ✋ Citizens Advice consumer helpline: 0808 223 1133
- ✋ Citizens Advice consumer helpline (Welsh-speaking adviser): 0808 223 1144
- ✋ Advice Direct Scotland helpline: 0808 164 6000
- ✋ Northern Ireland Consumerline: 0300 123 6262
