ISSUE 9 8TH NOVEMBER 2024

MESSAGE FROM MR PEMBLETON

Dear Parents and Carers,

Welcome back, everyone! I hope you all enjoyed a restful and reenergising half-term break. It's wonderful to see the school buzzing again with the energy, enthusiasm, and positivity that our children bring every day. Over the coming weeks, we're excited to continue making progress together, supporting each child to grow in their learning and build a strong, positive attitude.

This half-term, we'll be focusing on a new social skill each week, helping our children develop the tools they need to connect with and support one another. This week's focus has been on **sharing**, and our discussions in assembly have been around the story of **Mia and her magic yellow crayon**. Mia discovered that sharing not only brought joy to her friends but deepened her own happiness and sense of connection with others.

Let's encourage our children to bring that spirit of sharing into their daily lives. Each small act of kindness and generosity helps to create a warmer, more connected school community.

Thank you all for the role you play in making our school a fantastic place to learn and grow. Here's to a successful and inspiring half-term ahead!
