the pupils.

ART

Exploring seasons
through Art

History

Transport

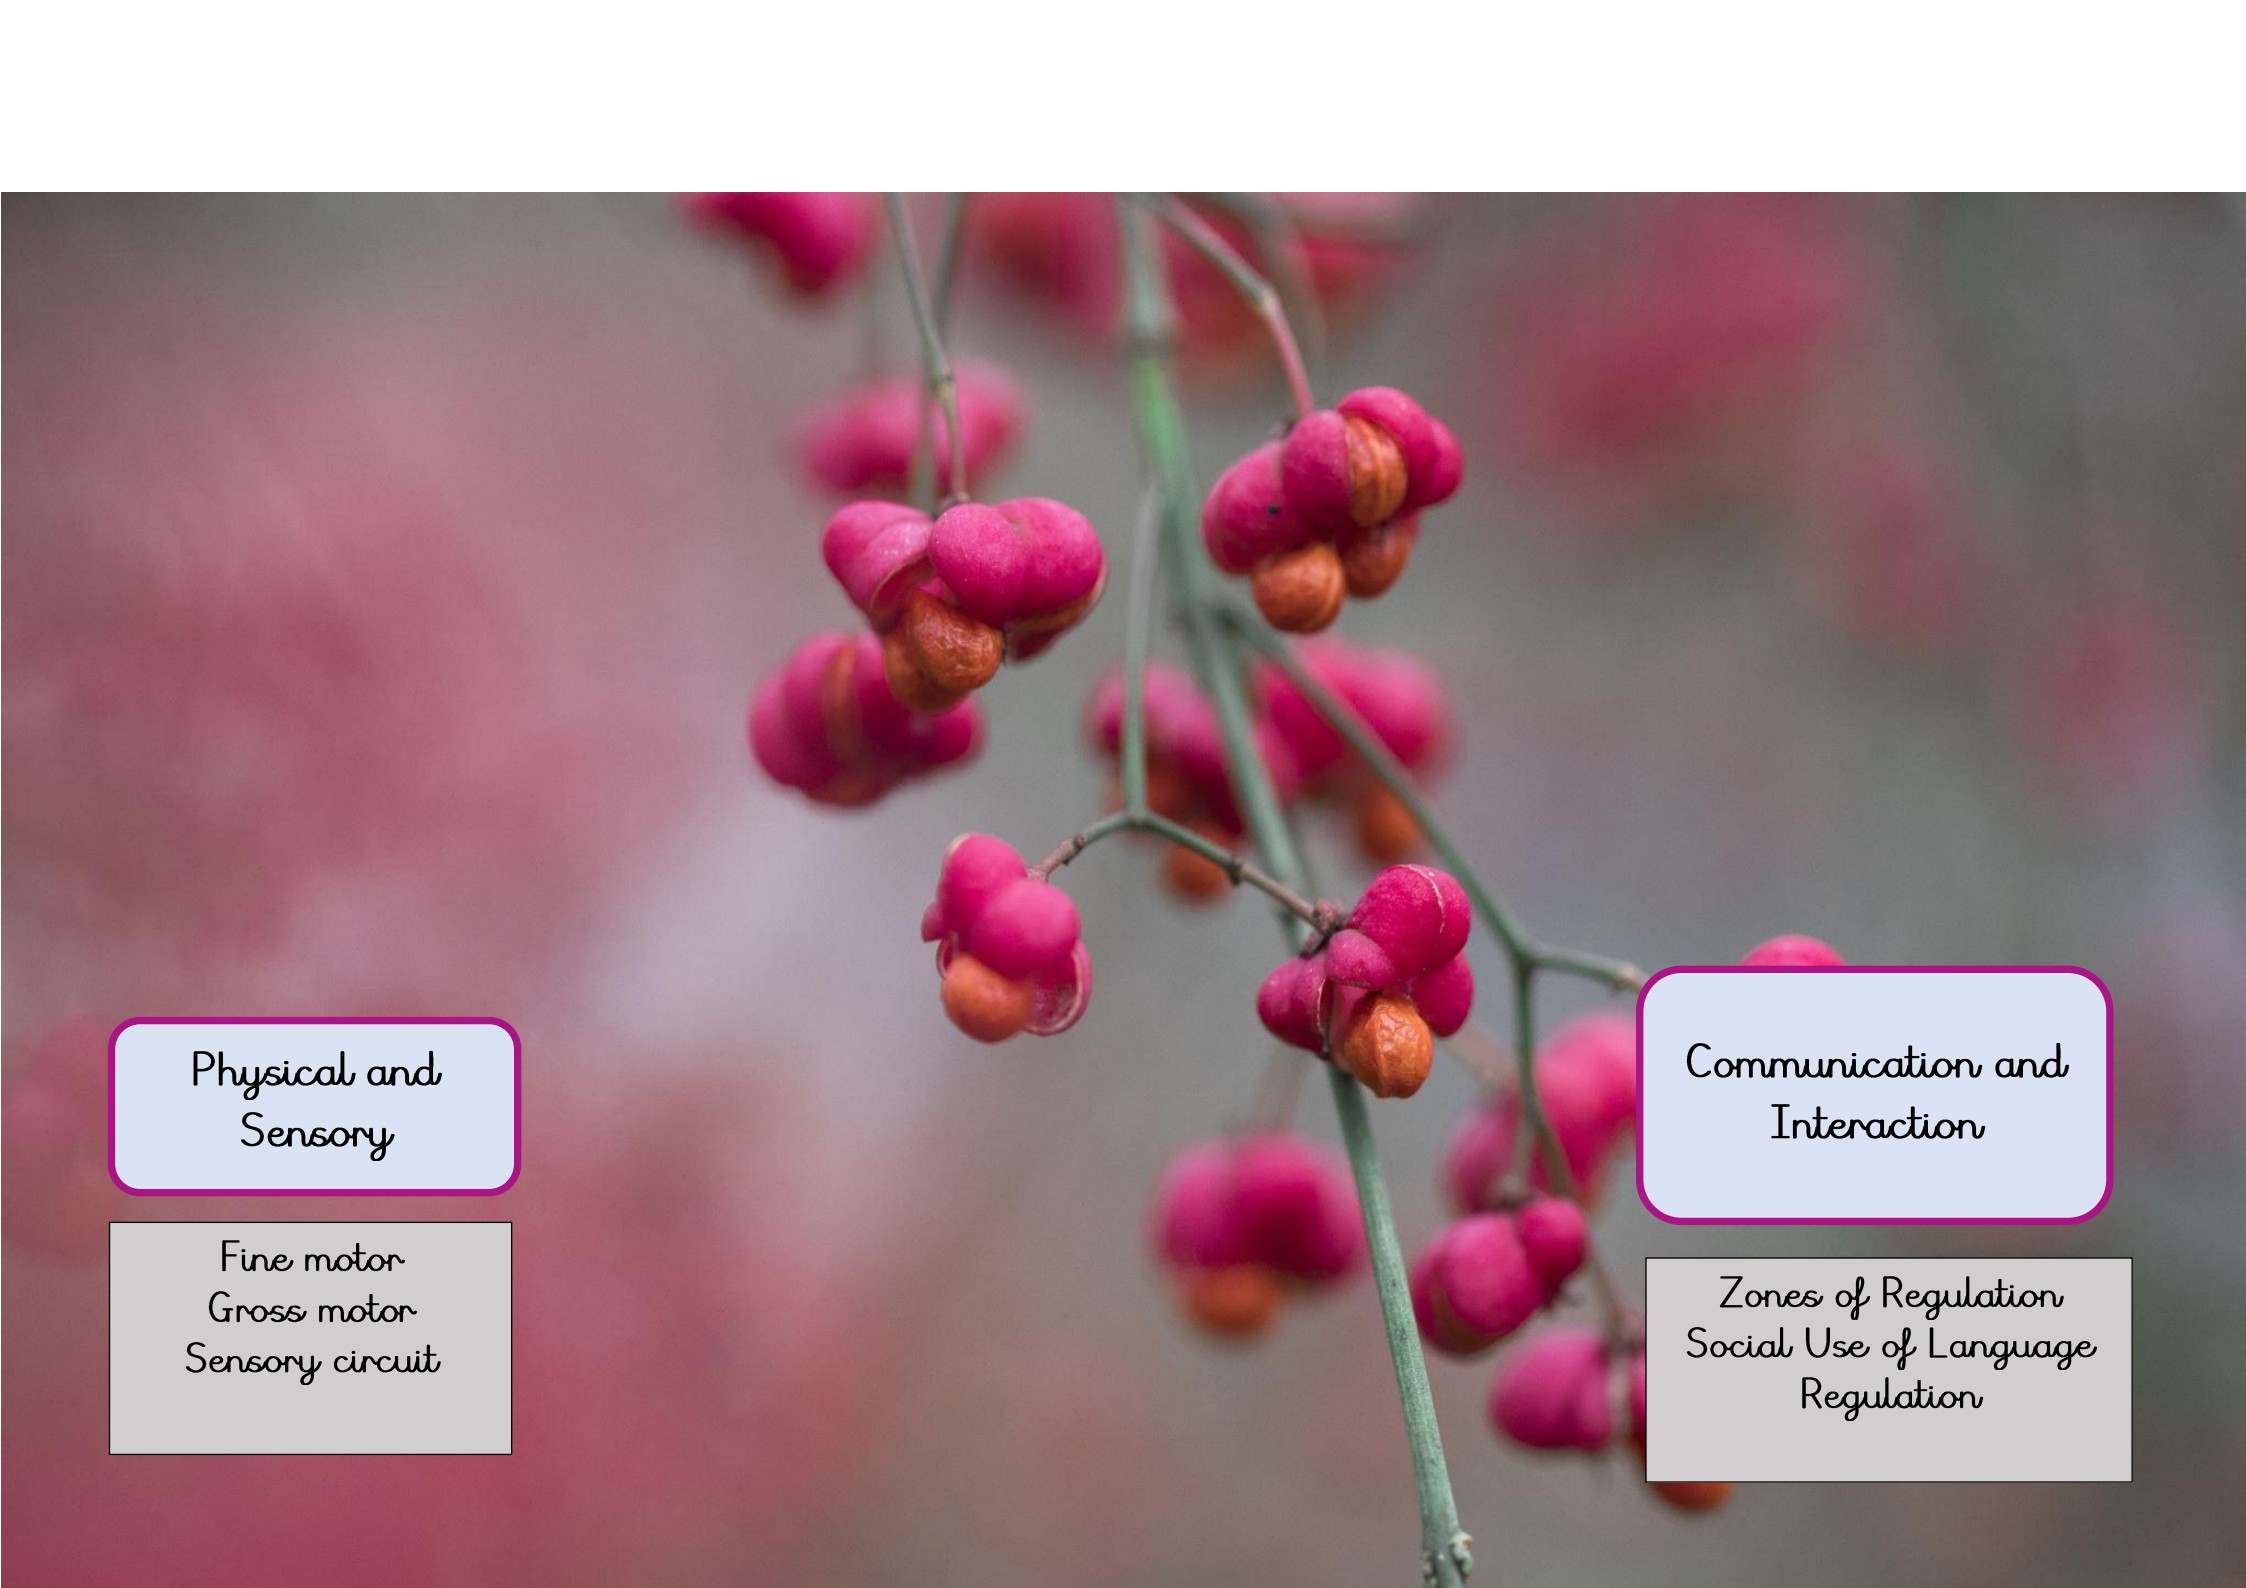

Exploring changes in
transport - past and
present

Isambard Brunel

Science

Seasonal Changes

Exploring the four
seasons: Autumn,
Winter, Spring and
Summer

A close-up photograph of a branch with several clusters of small, round, pink berries. Some berries are bright pink, while others are a lighter, more translucent pink. The background is a soft, out-of-focus greyish-pink.
